Dear Mr. Stein

Thank you for your outstanding support of the men, women and families of March Air Reserve Base through the 2006 Toys for the Troops Kids program. CRVA Charities, in conjunction with five Southern California Kiwanis Clubs, did a great job of organizing, collecting and delivering 263 toys to March.

The toys your team collected were distributed by our Family Support Office to children with parents deployed in combat. Your efforts helped make their holidays brighter. The time and coordination invested in this program send a clear message of support to our military members and their families who sacrifice so much in order to protect our country and our freedoms.

On behalf of Team March, please accept my thanks for including our children in this year's Toys for the Troops Kids gift giving. I am confident you will pass along my gratitude to your highly professional team. We truly appreciate the community support we receive from outstanding organizations such as yours.

Sincerely
