Dear Volunteer Team:

On behalf of the active duty Marines, Sailors and their family members on board Marine Corps Air Station Miramar, I would like to personally thank you for delivering 1,700 toys to our families during the holiday season.

The military children enjoyed the assortment and variety of toys that CRVA charities were able to deliver right before Christmas Day. Your ongoing support of active duty personnel continues to enhance the Quality of Life for them all. This generosity was truly a morale booster for our troops and their families and we are extremely grateful to you for your patriotism and commitment to the men and women serving this great nation.

Thank you and Semper Fidelis!

Sincerely,

CHRISTOPHER E. O'CONNOR
Colonel, U.S. Marine Corps
Commanding Officer
